**Glendale Named Tree City USA Community.** For the fifteenth consecutive year, Glendale has been named a Tree City USA Community by the Arbor Day Foundation for its commitment to urban forestry. Glendale has met the four standards to receive this designation, which include having a tree board or department, a tree-care ordinance, a comprehensive community forestry program and an Arbor Day observance and proclamation.

Councilmember Clark and other city officials celebrated on Earth Day as they planted trees with second-grade students from Desert Garden Elementary School at Desert Garden Park.

The Tree City USA program is sponsored by the [Arbor Day Foundation](#) in cooperation with the National Association of State Foresters and the USDA Forest Service.

**Parks and Recreation - Youth Scholarship Program.** The Glendale Parks and Recreation Department maintains a scholarship fund to help Glendale youth who do not have the financial means to participate in recreation programs. **TO APPLY FOR SCHOLARSHIP FUNDING:** Children who are residents of Glendale may apply for the youth scholarship. A child/youth is defined as being 17 years of age or under. Approval of the application is made on an individual basis. The City of Glendale Parks & Recreation Department uses a sliding-fee scale guideline based on total household income and number of dependents.
